WALTHAM, MASSACHUSETTS

HEARTLAND OF INDUSTRY ELECTRONICS

WALTHAM is 9 miles west from the port of Boston, situated on the Charles River, and served by the Boston and Maine Railroad, Massachusetts Central Division, Watertown Branch line and eleven lines of Middlesex and Boston St. Ry Co. busses.

WALTHAM is an Industrial City of approximately fifty-six thousand (56,000) population, enjoying an almost perfect balance of economy, a fine residential development of low, medium and high priced homes. The best retail intown shopping center between Boston and Worcester, Massachusetts.

A very large and diversified industrial development of electronics, machine tools experimental laboratories, and various others in different categories of industry.

WALTHAM ranks third in the cities of the Commonwealth in family incomes and also third in the value of one family dwellings.

The tax rate is the lowest in the state among cities of fifty-five thousand (55,000) population and approximately eight dollars (\$8.00) per thousand less than the State's average.

Its school system is complete to meet the projected school requirement.

The funded debt is less than five percent (5%) of its total assets.

In summarizing, Waltham is fortunate in possessing many of the fine advantages of a New England Community.

THE CHAMBER OF COMMERCE

Through the interest and support of its business community, government and citizens, Waltham maintains an active Chamber of Commerce which continually strives to promote economic development and community progress through volunteer action.

INTRODUCTION AND GENERAL INDEX

R. L. POLK & CO., publishers of more than 1,300 city, county, state and national Directories, present to subscribers and the general public, this, the 1965 edition of the Waltham City Directory.

Confidence in the growth of Waltham's industry, population and wealth, and in the advancement of its civic and social activities, will be maintained as sections of this Directory are consulted, for the Directory is a mirror truly reflecting Waltham to the world.

The enviable position occupied by R. L. POLK & CO.'S Directories in the estimation of the public throughout the country, has been established by rendering the best in Directory service. With an unrivaled organization, and having had the courteous and hearty co-operation of the business and professional men and residents, the publishers feel that the result of their labors will meet with the approval of every user, and that the Waltham Directory will fulfill its mission as a source of authentic information pertaining to the city.

Four Major Departments

The four major departments are arranged in the following order:—

I. THE BUYERS' GUIDE constitutes the first major department of the Directory, printed on yellow paper. In the first section of this department, grouped under appropriate headings, are included the advertisements and business cards of firms and individuals desiring to make a complete presentation of their products or services. Following this is the Classified Business section, which embraces a list of the names and addresses of all business and professional concerns of the city, arranged in alphabetical order under appropriate headings—a catalog of all the activities of the city. The Buyers' Guide represents reference advertising at its best, and merits the attention of all buyers and sellers seeking sources of supply or markets for goods. In a busy and diversified community like Waltham, the necessity of having this kind of information up-to-date and always immediately available, is obvious. The Directory is the common intermediary between buyer and seller, and plays an important role in the daily activities of the commercial, industrial and professional world.

II. THE ALPHABETICAL LIST OF NAMES of residents and business and professional concerns is the second major department, included on white paper. This is the only record in existence that aims to show the name, marital status, occupation and address of each adult resident of Waltham, and the name, official personnel, nature and address of each firm and corporation in the city.

III. THE DIRECTORY OF HOUSEHOLDERS, INCLUDING STREET AND AVENUE GUIDE, is the third major department printed on green paper. In this section the numbered streets are arranged in numerical order, followed by the named streets in alphabetical order; the numbers of the residences and business concerns are arranged in numerical order under the name of each street, and the names of the householders and concerns are placed opposite the numbers. The names of the intersecting streets appear at their respective crossing points on each street. Special features of this section are the designation of owner occupied homes and the listing of telephone numbers.

IV. THE NUMERICAL TELEPHONE DIRECTORY, the fourth major department, is printed on blue paper.

Municipal Publicity

The Directory reflects the achievements and ambitions of the city, depicting in unbiased terms what it has to offer as a place of residence, as a business location, as a manufacturing site and as an educational center. To broadcast this information, the publishers have placed copies of this issue of the Directory in Directory Libraries, where they are readily available for free public reference, and serve as perpetual and reliable advertisements of Waltham.

The Waltham Directory Library

Through the courtesy of the publishers of the Waltham City Directory, a Directory Library is maintained in the offices of the Chamber of Commerce, for free reference by the general public. This is one of more than 1,000 Directory Libraries installed in cities and towns throughout the United States, Canada and Puerto Rico by members of the Association of North American Directory Publishers, under whose supervision the system is operated.

The publishers appreciatively acknowledge the recognition by those progressive business and professional men who have demonstrated their confidence in the City Directory as an advertising medium, with assurance that it will bring a commensurate return.

HISTORY

Incorporated a town in 1738.

Voted to apply for City Charter November 30, 1883.

Incorporation act approved June 2, 1884.

Accepted by town July 16, 1884.

Election of first Mayor and Aldermen December 2, 1884.

Inauguration of first Mayor January 5, 1885.

Situated on the beautiful Charles River, nine miles west of Boston, the rich and fertile plain on which stands the present city of Waltham was called "Eden Vale" by the earliest settlers.

In 1738 this area, which then comprised the Western Precinct of the town of Watertown was incorporated as a separate town and named Waltham, but it was not until the establishment of a paper mill in 1788 that it became anything more than an agricultural community.

Additional information on the history of Waltham and the many historical points of interest can be obtained from the Waltham Historical Society, 420 Lexington Street. Miss Marjorie Childs, curator. Information is also available in the Waltham Public Library.

Gore Place

One of the early Governors of Massachusetts, Christopher Gore (1809-10) built a magnificent house (1805) with bricks brought from England, and surrounded it with imported shrubs and trees. The property, especially the house and immediate grounds, is being restored to its former grandeur and historic attractiveness by the present owners, the Gore Place Society. Open April 15-November 15.

Gore Place, Waltham, Massachusetts.

Lyman House (The Vale)

This magnificent and unsurpassed country residence has been presented to the Society for the Preservation of New England Antiquities through the generosity of five children of the late Arthur and Susan C Lyman, descendants of the original Theodore Lyman. It is located on Lyman Street at its junction with Beaver Street. Erected in 1793 by Theodore Lyman, a Boston merchant, "The Vale" was designed by the noted American architect Samuel McIntire. Several features of the spacious building reveal Bulfinch's influence on the great Salem architect of that early day, McIntire. The house is a central motif of an estate of 36 acres with spacious lawns, old and modern greenhouses and many attractive shrubs, flowering vines, plants and trees, some of the latter being 200 year old specimens. The place is open for inspection from early June until the middle of September with a nominal charge of admission to help maintain the interesting estate.

Boys' Club of Waltham

One of the nation's finest youth centers occupies 38,000 square feet of land on Exchange Street, a short distance from Central Square. Valued at an estimated million dollars, the Waltham Boys' Club was erected for \$680,000 on a "self-help" plan designed to make two dollars do the work of three. Citizens raised \$190,000 in a capital fund drive and by self-help qualified for matching dollar assistance from the Charles Hayden Foundation to complete the facility, which also serves as a community center. The building, dedicated on November 24, 1952, is designed for a membership of 2,000 boys. It contains the William H. Nichols Gymnasium, the Thomas Worcester Auditorium, a flush-deck swimming pool with spectator facilities for 300, games and crafts rooms, a dining room with full kitchen for civic meetings and a conference room. Special activities are made available to girls, as well as to adult groups, without encroaching upon the boys' schedule. The Boys' Club is a Red Feather agency and supported in part from funds raised by the United Community Services of Greater Boston.

"Waltham, The Precision City"

"Waltham, The Precision City" was for many years called the "Watch City" because the making of fine watches was originally its principal industry. The Waltham Watch Company, one of the largest manufacturers of watches in the world, made fine watches by machinery as early as 1854. It has now discontinued operations in Waltham and maintains headquarters offices in Chicago Illinois. A portion of the building is now used by Newal, Inc., and several other concerns occupy the remainder of the space.

Diversity of Industries

There are nearly 290 industries, service and warehousing firms. Of the 290, there are 233 industries engaged in the manufacture of clocks, precision machinery, jewel bearings, dairy and poultry food, pest exterminators, mica products, electrical switches, batteries, salesbooks, loose leaf account systems, grinding wheels, rivets, gauges, rayon metering pumps, and radar and electronics, along with hundreds of other products.

Agriculture

Although Waltham has long been known throughout the world as the home of high grade industries engaged in the manufacture of quality products. It has always maintained its position as an important agricultural center. Here are located the headquarters of the Middlesex County Farm Bureau. In the beautiful section of the city known as Cedar Hill is located the Waltham Field Station, a branch of the University of Massachusetts. Experiments are in progress in vegetable gardening, fruit growing and ornamental horticulture. Civic pride is strong among the residents of Waltham, and at the Field Station our citizens receive help and free information regarding the maintenance of their lawns and shrubbery and the general upkeep of the home grounds.

Retail

Waltham stores are well stocked and well managed and carry a complete range of merchandise at prices as favorable as any in the large centers. Approximately 2,300 persons are employed in Waltham's approximate 487 retail outlets, on a full-time basis. An extra 1,009 are employed on a part-time basis.

Banking Facilities (December 31, 1964)

The Newton-Waltham Bank & Trust Co., the largest commercial bank, has resources of \$89,688,273.36. Waltham has a Savings Bank over 100 years old with deposits of \$48,088,860. The Waltham Federal Savings & Loan Association was organized in 1880. Federalized March 1, 1937, and the present resources are \$66,141,221. The Waltham Citizens National Bank was opened on September 5, 1946 and lists resources of \$9,168,798.96. The Guaranty Trust Co., opened January 21, 1952 and lists resources of \$17,000,000. The Middlesex Family Co-operative Bank started operations on January 25, 1954, and lists assets of \$3,150,357.

Churches

There are twenty-five church congregations, also numerous philanthropic societies, including the Waltham Community Fund Inc., embracing 8 relief, social service, philanthropic and character-building agencies.

Fraternal Societies

Nearly every leading fraternal society has at least one branch in the city, while some have more than one. The stranger in the city will find here to welcome him those affiliated with his own organization.

Theatres

One theatre presents moving picture entertainment in Waltham, The Embassy Theatre has a seating capacity of 2,093. A one million dollar twin indoor movie theatre at the Waltham Industrial Center is in the planning stage.

Hospitals

There are 4 hospitals, the Waltham Hospital, 183 beds and 28 bassinets; the Middlesex County Sanatorium, 350 beds; the Metropolitan State Hospital for the care of mental cases, present capacity 2,154 beds; and the Walter E. Fernald State School for the Feeble Minded, the oldest of its kind in this country, present capacity, 2,525 beds.

Waltham Housing Authority

The Waltham Housing Authority, established in 1948, constructs, manages and maintains housing for families of low income and elderly persons 65 years of age and older. Rentals are based on income and family size, with Veterans preference for family size units.

At the present time there are 386 units including: Chesterbrook Gardens 100 apartments; Prospect Terrace, 146 apartments; Dana Court, 32 apartments; Carey Court, Beaver Brook Apartments and Myrtle Street Apartments for the elderly, 108 apartments. The Authority is in the planning stages for approximately 100 additional units for the elderly.

Pending establishment of a Redevelopment Agency, the Authority under the State Law, also acts as a Redevelopment Agency and has started one survey under Urban Renewal provisions of the Federal Housing Law.

The Waltham Housing Authority Chairman is Ball Bartlett; Charles A. Lawless is the executive director, and his office is located at 5 Brookway road, Waltham.

Transportation Facilities

Waltham is situated in the fourth largest metropolitan district, which in itself insures an excellent local market for all kinds of products. It is connected with Boston by two railroad lines, the Massachusetts Central and the Fitchburg Division of the Boston & Maine Railroad, the latter offering excellent rail shipments to the Central, West, Far West and Northern and Canadian points. Motor truck lines add to the ease of quick shipping facilities. Together with the Watertown Branch, these three roads provide ample shipping facilities, with spur tracks available when needed. It is only a short haul by truck to tap the main line of the Boston & Albany Railroad at Newtonville providing quick rail transportation to points South and West. Inter-city bus service is provided by the Middlesex & Boston Street Railway Co.

Motor Routes

For the motor enthusiast, Waltham is an ideal center. Many main thoroughfares converge at Waltham Common, giving a choice of routes to the Berkshire Hills, Cape Cod, or the White Mountains. U. S. Route 20 passes through Waltham to Boston, 9 miles east. Route 128 by-passes the city at its westerly boundary with Weston. The Massachusetts Turnpike eastern terminus is located 1.7 miles south of the Route 128-20 junction in Waltham.

Advantages of Waltham

Waltham has splendid roads, fine schools, congenial social conditions, a rated standard of citizenship, convenience to shipping points, nearness to a market, excellent transportation facilities, sanitation above average, abundant recreation and amusement facilities, the advantages of homes in the open spaces combined with urban conveniences--these are the qualities that go to make a city desirable--and Waltham has them all.

The Waltham Chamber of Commerce, composed of over 400 business and civic leaders of the city, welcomes inquiries and will be glad to make a complete and intelligent survey of the situation for acceptable prospective industry or business.

Waltham's new \$2,500,000 Municipal Service Center which houses the city's public motor vehicle fleet, fire, police and public works department headquarters is "A modern monument . . . to a changing city."

Mike O'Neil, Photographer
Waltham, Massachusetts.

Waltham will continue to register a very definite increase in population, development of its Retail Shopping District and during the next five years will make a decided gain in the number of new residences. With a very favorable cost of living figure and a proximity to Boston, the Waltham district is proving very attractive to many industrial and business houses in addition to home seekers.

Public Services

Waltham's water supply is from the Metropolitan District Commission. Practically all of the residential and business districts are connected with the sewer of which there are now 103.77 miles. Disposition of the sewage is made through the South Metropolitan system.

I. B. E. W. Headquarters Building

The former Hamblin L. Hovey Memorial Institute, a brick structure of attractive design, is located at 545 Main Street. The building is now owned by the International Brotherhood of Electrical Workers and houses the offices of Local 1505 which services the employees of the Raytheon Manufacturing Company. In addition to these offices, the main auditorium seats 1,112. A small lecture hall, served by a kitchen, accommodates approximately 75 people.

Waltham Public Library

The Library building, the gift of Francis Buttrick, is a structure of beauty located close by the attractive Waltham Post Office building on Main Street. In addition to other lecture rooms, it houses the Sears Memorial Gallery which offers a meeting place for concerts by talented artists.

U. S. Army, Corps of Engineers, New England Division

The Waltham Federal Center on a 93 acre plot of highly elevated land is now occupied by the Corps of Engineers, U. S. Army, New England Division. Those stationed there are engaged in civil and military construction. Brigadier General Peter C. Hyzer is the Division Engineer.

Public Schools

Waltham's 9,565 pupils are housed in 19 brick buildings, with approximately 400 teachers. The high school and 3 junior high schools have excellent gymnasiums. The 3 junior high schools and 10 elementary buildings have adequate assembly halls which are extensively used by the public. Kindergarten, opportunity classes, 6 trades, vocal and instrumental music, art, college preparation, business and clerical training are among the educational opportunities.

Parochial Schools

In addition to its public schools, Waltham has five parochial schools, 2 of which provide High School courses. St. Joseph's Grammar School has an enrollment of 819 and St. Mary's High School has an enrollment of 253 boys and 209 girls. St. Charles Grammar and High School an enrollment of 572 and St.-Peter's an enrollment of 434.

Brandeis University

Brandeis University, one of the nation's youngest institutions of higher learning, was launched in the fall of 1948 with impressive inaugural ceremonies held in the presence of the presidents and official representatives of more than 200 American and foreign colleges and universities. The University campus includes 250 acres beautifully located on hills overlooking the Charles River and sections of Boston, Cambridge, Watertown, Newton and Waltham. Brandeis is named after the late Justice Louis Dembitz Brandeis of the United States Supreme Court. The chairman of the Board of Trustees is Mr. Abraham Feinberg, prominent New York industrialist, Dr. Abram L. Sachar, nationally known author and historian, serves as the first President of the University.

Brandeis admitted its pioneer freshman class of 100 students in the fall of 1948. Each succeeding class has been increased in size. The first undergraduate class graduated in 1952.

The University has announced a master plan for the development of its facilities which provide for the construction of 50 new buildings during a ten year period at a total cost estimated at \$22,715,000. Construction on the first buildings has already been accomplished.

Brandeis University places great emphasis upon high academic standards and limits its enrollment so as to retain the advantages inherent in a small student body. It became an accredited college in December, 1953. Dr. Sachar summarizes the University's objectives as follows: "Our intention is to maintain a small institution in which the student-faculty ratio shall be kept at a level where the capacity of each boy and girl may be fully developed." Brandeis participates in inter-collegiate athletic competition; and presents a bi-annual Creative Art Festival during which the university is host to many outstanding personalities from the worlds of music, drama, literature and art, offering them an opportunity to present their latest works.

The graduate school in Arts and Sciences, opened in September, 1953, leads to the masters degree and doctor's degree in the areas of Biology, Chemistry, English and American Literature, History of Ideas, American Civilization, Music, Near Eastern and Judaic studies, Physics and Psychology, Sociology, Anthropology.

Bentley College of Accounting & Finance

Bentley College of Accounting & Finance, now located in the Back Bay section of Boston, has purchased the 99 acre Lyman Estate and will soon relocate its entire campus in Waltham. Construction will begin within three years and it is anticipated that classroom activity will start in five years. When the college is established in Waltham, approximately 5,000 students will be enrolled in the day and evening classes.

Chapel Hill School For Girls

The Chapel Hill School, formerly The Waltham School for Girls, located on Lexington Street, one mile north of City Hall, was founded in 1860 by Benjamin Worcester and was co-educational. In 1912 it became the Waltham School for Girls. The property is owned and controlled by the New Church Institute of Education. The estate embraces approximately 21 acres of rolling

land with sloping hillsides bordered by a clear running stream and made picturesque by beautiful old shade trees. Chapel Hill School embraces studies in grades seven and eight as well as full High School courses. It is a day and boarding school which acts as a home school for young people from the lowest grades through preparation for college. Wilfred W. Clark is principal.

The three chapels at Brandeis University are known the world over and provide places of worship for Catholic, Protestant, and Jewish students at the 15 year old university.

Notre Dame Training School

One of the very attractive educational institutions of Waltham is the estate c. eleven acres forming the grounds of the Notre Dame Training School, and also the Provincial House of the Eastern Province of the Sisters of Notre Dame de Namur. The buildings of stucco are of plain but stately architecture, well set off by most attractive grounds. This institution is operated under the direction of the Sisters of Notre Dame de Namur which organization started its work in the United States in 1840; in this Commonwealth in 1849 and in Waltham in 1889.

Recently a three-story brick structure with cloister connections to the main building on the basement, first and second floors, was constructed. There are about thirty-five rooms including Community rooms, Library class-rooms, Study Hall and Recreation rooms and accommodates about one hundred novices.

Sacred Heart Retreat House

Situated at 554 Lexington Street on 37 acres of land is the Sacred Heart Retreat House which holds week-end Retreats and Days of Re-collection for Men and Women.

The Retreat House is conducted by the Stigmatine Fathers who have converted what has been their Juniorate, a training school for future Stigmatine Priests and Brothers, since 1922, into a secluded haven for spiritual thought and guidance. The buildings are nestled in a background of beautiful lawns, shrubbery and trees.

The Sacred Heart Retreat House, founded in 1953, is the first of its kind in this community. Its purpose is to provide spiritual advancement for each individual who may wish to take advantage of its offerings.

Green Acres Day School Inc.

Green Acres Day School, Inc., is located on the old Clark Farm at 399 Lexington Street, Waltham. This farm comprises 30 acres of meadows, woods and streams. Enrollment is for children between the ages of 2½ to 6 years of age and the school provides pre-school and kindergarten training. The enrollment is approximately 170 children covering an area comprising Waltham, Watertown, Belmont, Lexington and Newton. There are morning and afternoon sessions and transportation is provided. The school also operates a summer day camp for 250 boys and girls, ages 3 to 10. The program includes nature, campcraft, wood-workings, arts and crafts, sports, music, dramatics and archery. Swimming is taught by qualified instructors in three swimming pools.

Waltham Chapter, American Red Cross

The Chapter House is located at 22 Appleton Street. The house provided 11 rooms in which all chapter activities are centered, with well equipped offices and spaces for all the different phases of local Red Cross work. There is a good-sized meeting room for working volunteers and for several of the outstanding services of the chapter including blood service, armed forces, community service and disaster relief work. Miss Stella M. Mazur is Executive Director.

Recreation

With parks, playgrounds and other facilities for outdoor recreation, Waltham is bountifully supplied. In the very heart of the city there is an unusually fine Common of 7.20 acres on which is located a stately as well as attractive City Hall. Prospect Hill Park is a natural beauty spot of 265.89 acres, such as can seldom be found within walking distance of a busy city. It is the highest elevation within the city limits and a vista of over 40 miles is obtained from its vantage points. It is provided with good roads, enticing pathways and camping sites and includes a ski slope with rope tow. Ski instructions are offered by the Prospectors Ski Club when the ski area is operating. The State Girl Scouts have spacious grounds at Cedar Hill, left for the purpose by Miss Cornelia Warren. The grounds embrace acres with many interesting features and with an area for camp sites, on which Scout Troops from various cities of the Commonwealth locate their camp houses. There is also the High School Athletic Field of 10.50 acres and 15 active playgrounds of 65.13 acres and 5 on school sites, competently supervised with an efficient corps of instructors. The Charles River, with facilities for boating and canoeing in the summer, and ice sports in the winter, has long been famed as a pleasure stream in New England. The Metropolitan District Commission maintains a public outdoor swimming pool staffed by qualified life guards who also instruct classes in swimming. A modern bath house has been erected adjacent to the pool. During the winter months the pool is covered and frozen for use as a public ice skating facility. One of the largest and most modern roller skating rinks in the east is located in Waltham. Regional and national roller skating contests have brought champions to the Waltham Rollerway to compete for honors. Waltham claims some of the largest and most modern bowling alleys in New England. The facilities are available for league play and public bowling.

Cabot Reservation

Community Program of Boston Young Men's Christian Association

The Boston Y. M. C. A. sponsors a year round recreation program at the Cabot Reservation, 725 Lexington Street, Waltham, for people of all ages in the Waltham area. Located on a lovely wooded 85 acre site are four day camp buildings, an outdoor swimming pool and bath houses, and the home of Program Director George W. O'Brien Jr. The acreage includes picnic grounds, two ball fields and other recreation facilities available to boy scouts, girl scouts, church groups, industrial and social clubs and others for outings and group activities. Camp Cabot, a summer camp program, includes four day camp

periods for boys and girls from 6 to 13 years old. The Cabot Club is a family membership program allowing privileges of the area and use of the pool from 5 to 9 daily and 1:30 to 6 P.M. on week-ends.

The Waltham Chamber of Commerce

It is Waltham's largest and outstanding civic and commercial organization. Its membership embraces over 400 of the business and civic leaders of the Community. Incorporated in 1917, it has been a dominant factor in the remarkable growth of this city.

★ Out of Business ★

The importance of keeping firm and product names in the public eye is recognized by all business men. It is astonishing to see how a firm or product, however meritorious, will slip into the limbo of the forgotten if not persistently advertised.

The City Directory is the natural medium for keeping a business or product name in the spotlight
Insist on being well represented in its pages.

Now Prove To Yourself Which Heat Is Best!

**LET US INSTALL A GAS BURNER FREE
FOR ONE YEAR!**

You risk NOTHING! This is the greatest offer in our heating history! Boston Gas Company will arrange for a Gas Conversion Burner to be installed in your home by a licensed installer free for one complete heating season. You pay nothing now for the installation of the burner nothing for service during this trial period.

All you'll pay for is the Gas you use. And whether you stay with your present fuel or change to Gas, you'll pay for fuel! So what's there to lose?

You try Gas Heat in your home for one complete heating season, then if you're not happy we guarantee to reinstall your old equipment at no charge. **Before this,** the only way to find out whether you'd prefer Gas was to buy a Gas heating burner. Now you don't have to buy it . . . **you can try it first!**

Don't wait. Call today to get in on this amazing Gas Heat Burner free trial offer!

More goods are bought and sold through the
Classified Business Lists of the Directory
than by any other medium on earth.

Out of Sight - Out of Mind

★ *Out of Business* ★

The importance of keeping firm and product names in the public eye is recognized by all business men. It is astonishing to see how a firm or product, however meritorious, will slip into the limbo of the forgotten if not persistently advertised.

The City Directory is the natural medium for keeping a business or product name in the spotlight
Insist on being well represented in its pages.

STREET and AVENUE GUIDE
INCLUDING
TELEPHONE NUMBERS and HOME OWNER SYMBOLS

1965

Copyright, 1965, by R. L. Polk & Co.

IN THE FOLLOWING LIST THE NUMBERED STREETS ARE ARRANGED IN NUMERICAL ORDER FOLLOWED BY THE NAMED STREETS IN ALPHABETICAL ORDER, THE INTERSECTING STREETS BEING SHOWN. THE NUMBER OF EACH BUILDING ON THE STREET IS GIVEN IN NUMERICAL ORDER, AND OPPOSITE THE NUMBER IS PLACED THE NAME OF THE OCCUPANTS OR HOUSEOWNER OR TENANT. IN THE BUSINESS BLOCKS CONTAINING OFFICES THE OCCUPANTS ARE SHOWN BY ROOM NUMBERS WHERE PRACTICABLE, IN APARTMENT HOMES THE NUMBER DENOTES THE NUMBER OF THE APARTMENT. IN ALL STREETS BOTH SIDES OF THE STREET ARE INCLUDED IN ONE LIST. THE PROFESSION OR BUSINESS OF INDIVIDUALS OR FIRMS IS GIVEN ONLY AT THEIR RESPECTIVE PLACE OF BUSINESS; TO FIND OCCUPATION OF OTHERS REFER TO ALPHABETICAL LIST OF NAMES.

THE SYMBOL © FOLLOWING A HOUSEHOLDER'S NAME INDICATES THAT WE HAVE RECEIVED INFORMATION DURING THE CANVASS THAT THE HOUSE IS OWNED BY SOME MEMBER OF THE FAMILY, BUT AS THE PUBLISHER CANNOT AND DOES NOT GUARANTEE THE CORRECTNESS OF THE INFORMATION FURNISHED, NOR THE COMPLETE ABSENCE OF MISTAKES NO RESPONSIBILITY FOR ERRORS CAN BE OR IS ASSUMED, NOR CAN THE PUBLISHER FURNISH FURTHER INFORMATION THAN THAT SHOWN.

TELEPHONE NUMBERS, AS SUPPLIED TO US ON OUR CANVASS ARE SHOWN OPPOSITE NAMES.

THE NUMERALS THAT APPEAR AT RIGHT EDGE OF COLUMNS, AHEAD OF STREET DESCRIPTIONS AND SOME STREET INTERSECTIONS, ARE MERELY FOR THE GUIDANCE OF THE PUBLISHERS, AND HAVE NO OTHER SIGNIFICANCE.

THIS SECTION INCLUDES SOME LISTINGS READING "NO RETURN." IN EACH CASE THE PUBLISHERS TRIED DILIGENTLY, BY VARIOUS MEANS, TO OBTAIN THE INFORMATION FOR THE OCCUPANTS BUT WERE UNSUCCESSFUL. FIRST, TWO PERSONAL CALLS WERE MADE BY AN ENUMERATOR; NEXT, A DOUBLE POSTAL CARD WAS MAILED AND THE TELEPHONE USED WHEN POSSIBLE.

Out of Sight - Out of Mind

★ *Out of Business* ★

The importance of keeping firm and product names in the public eye is recognized by all business men. It is astonishing to see how a firm or product, however meritorious, will slip into the limbo of the forgotten if not persistently advertised.

The City Directory is the natural medium for keeping a business or product name in the spotlight. *Insist on being well represented in its pages.*
